### THE WHISPERING PALMS COMMUNITY NEWSLETTER

Volume 1, Issue 5

November 2013

#### A Message from Barbara

**Park Manager,  
Barbara Cournoyer**

The major summer projects have ended and many of the results are highly visible - road resealing, brush cutting, palm tree trimming, construction of the beautiful gazebo - to just name a few. Renovation of the Main Hall is also nearing completion.

**REMINDER:** If you are renting your home for the season the guest(s) must be registered with the office. I have a Subletting Application in the office that is signed by the owner and the renter. It is important that we know who is in the community.

**RENTAL OF HOMES:** Residents shall not assign the lease or any interest therein, and shall not sublet the home or any part thereof, or allow any person or persons to occupy or use the home without the specific written consent of the landlord. Any assignment or subletting without Landlord's consent shall be void and shall constitute a default by resident under the lease and under the rules and regulations.

**Keyclub:** Unfortunately progress is currently being held up by the county permit process. Check the [whisperingpalmsgazette.com](http://whisperingpalmsgazette.com) website for updates.

**Waste Management** has started a neighborhood watch type of program. As they drive through the community they will be more watchful for anything different or questionable. They are in here at least 4 days a week.

The office is now open from 9 AM to 5 PM Monday – Friday.

All mobile home owners should have received their letter regarding the increase in rent to \$448.00 starting January 1, 2014. Please update any information and include your email address if you have one.

### MARK YOUR CALENDAR!

Friday, November 8 & Saturday, November 9  
8am – 2 pm

### Community Wide Yard Sale

Some people like to set up in front of the Keyclub for more exposures and that is fine. Another high exposure location would be by the shuffle board courts. Others may prefer setting up in front of their home. People drive through the community to see all the "goodies" we have to offer.

**THE BARGAIN CORNER WILL BE OPEN ON SATURDAY NOVEMBER 9 FOR THE SALE**

## Aldor Cournoyer

So many of you ask how Aldor is doing and we appreciate all of your good wishes. He is in excellent health (says he is in pretty good shape for the shape he is in). Not bad for a soon to be 81 year old. He has a brother in Woonsocket, RI where he was born and 3 daughters living in Southern CA. Terry, the middle daughter is the one pictured above during a recent visit. He has learned to use a Kindle and enjoys reading books, as well as keeping up on the happenings of the world everyday on TV and hearing about the news of the Whispering Palms Community. We are usually out and about 1 or 2 days a week for dinner and/or an event. Feel free to visit. Afternoons are best - just ring the doorbell and walk on in. Our cats, Destiny, Smokey and Shilow are our official greeters.

## Whispering Palms "Bargain Corner" is now open Wednesdays 9 - 12

The "Bargain Corner" originally started in a mobile home across from the pond 11 years ago and was organized to provide a source of income for the Social Club's many activities. It was moved to its present location 8 years ago and continues to be the Club's main source of income.

The store is managed by JoAnne and Ron Clarke with donations coming directly from residents themselves.

You'll find a wide selection of household goods, clothing, furniture, decorative items and more. Their major annual fund raising event is a Flea Market in February with a bake sale, raffle tickets for park residents, crafts and lunch.

Cash or checks made payable to Whispering Palms Social Club are welcomed.

JoAnne and Ron want to thank the many volunteers who work with them to make the "Bargain Corner" a success. The store could use a couple of good, strong men to help, during store hours, lifting furniture or going out to customers for pickups and deliveries. If you can help, please call them at 772-581-7290.
